Beachside plot of land for sale in La Cala de Mijas, Mijas Costa. The plot comes with a full building project with the license in place for a 3/4 bedroom / bathroom contemporary villa with swimming pool. The beach is situated 80 metres from the plot, which currently has an old house on it (full registered). The price includes the plot, project and license. We have contractor quotes from €350k (not included in the asking price) for the finished villa, which would leave a margin for any investor of around 20% profit.
