This privileged luxury development offers a unique relaxing atmosphere perfectly combined with excellent quality standards, beautiful architecture and design, all on privately accessed and controlled premises with 24-hour security. The apartment offers luxury accommodation in one of the most exclusive areas on the New Golden Mile: The interior quality is outstanding, offering generously sized living areas with plenty of natural sunlight. Outside you'll find a large open terrace. Being situated in the elegant and famous resort Los Flamingos and close to Puerto Banus and Marbella, the exclusivity of this area is well established. It offers the best services on the Costa del Sol. Benahavís is a typical Andalusian village with white houses and winding streets located inland on the Western Costa del Sol. The peaceful appearance of the village contrasts with the hustle and bustle of the rest of the district which has no less than 10 golf courses and a riding club. A charming village with endless possibilities as a top tourist destination, where the British population makes up some 25% of the total population of the town.
