Luxury 4 bedrooms townhouse with stunning sea views

Are you thinking about buying a property in Duquesa, Costa del Sol?

It's a very desired location close to golf and the beach.

Brand new 3 and 4 bedrooms townhouses considered one of the best kept secrets of the Costa Del Sol: located in Manilva between La Duquesa & Sotogrande, this is a modern gated development, enjoying the charm of country living yet only a 2 minute drive to beach and all amenities.

The general feeling when you arrive to the complex is one of tranquility, with spacious gardens and pools rivals any top quality resort.

Purchasing here a property is a good long term investment opportunity as the market has bottomed out and rentals are very strong.

All the houses are spacious, built to UK & Scandinavian standards enjoying also great terraces with stunning sea and coastal views.

The project is perfectly placed, behind the prestigious 18 hole, par 72 Duquesa Golf and Country
